## Benefits for Low-income Households

&lt; 低所得者世帯に対する給付金 &gt;

Household type	Residence Tax	Child Allowance
	Households paying only the per capita tax	Low-income households with children
Conditions	Households with a Certificate of Residence in Hamamatsu City on December 1, 2023 ※Households of dependents of a person paying residence tax are not eligible.	
	Households consisting solely of people who are not subject to income-based residence tax for the 2023 fiscal year. *This excludes households that are exempt from paying per capita residence tax.	Households that are exempt from income-based or per capita residence tax and have a child who was 18 years old or younger (born on or after April 2, 2005) as of December 1, 2023
Amount of benefit	100,000 yen (per household)	50,000 yen (per child 18 or younger)
Information	Information will be sent from around mid-March to households that are considered to be eligible.	<b>Households receiving the benefit for households exempt from per capita residence tax</b> In addition to the 70,000 yen for households exempt from per capita residence tax, information is being sent to households that are considered eligible for this benefit starting around the end of February. <b>Households subject to only the per capita tax</b> Information will be sent to households that are considered eligible from around mid-March. ※The notice is the same as that received by those eligible for the benefit for households exempt from per capita residence tax.
Application Method	For details, please refer to the notice received.	
Deadline	May 31, 2024 (postmarks accepted)	
Other	1. For low-income households raising children, households with children born after December 2, 2023 or with dependent children living at a different address (living in a school dorm etc.) may be eligible to receive benefits. Please contact the call center. 2. If all members of your household only pay the per capita tax for reasons such as divorce or bereavement, you may be eligible for benefits. Please contact the call center. 3. If you think you are eligible but did not receive a notice, please contact the call center.

## Responding to the COVID-19 Pandemic

&lt; 新型コロナウイルス感染症(COVID-19)に関するお知らせ &gt;

## ● About COVID-19

The free COVID-19 vaccination program ended March 31, 2024. From April 2024, COVID-19 vaccinations will be offered on a periodic basis (same as for periodic seasonal flu vaccinations).

	From the 2024 fiscal year
For	①People who are 65 or older ②People 60-64 with certain underlying conditions (same as those eligible for influenza and other vaccines.) ※Age at the date of vaccination
Period	Autumn-Winter
Number of times	Once per year
Cost	Unsubsidized (co-pay amount has yet to be determined)
Vaccination	Type not yet determined (will be evaluated by the state annually)

**Q.** Can people other than those indicated as eligible receive vaccinations?

**A.** Yes, vaccinations can be received by paying the full unsubsidized cost. However, seasonal availability and cost may vary depending on the healthcare provider.

For more about the COVID-19 Vaccine Official Website
